

I M A G I N E

the ageless
JIM TAYLOR

becoming an
OCTOGENARIAN

He can't even spell it. Now he is one.
Therefore, we cordially invite you to help
celebrate Jim's 80th birthday...
...and his early retirement.
(For the third time)

at

The Country Club of Fairfield

on

Friday, November 30th, 2001
5:30 p.m. — 8:00 p.m.

Jim knew he was getting old when he had all the
answers and no one asked him the questions.

Please, no gifts.
(Jim doesn't play with the toys he already has.)
